Patient Story

A New Vision for the Future: Mr. M Ramla Naik's Journey from Vision Loss to Hope

I am Mr. M Ramla Naik, Age 74/M (MR No: MPL-N17675) from Galiveedu, Nandhikonda Thanda.

Before coming to V C Parekh Eye Centre, LVPEI Madanapalle, my vision was very poor, and I struggled with daily activities, even within my home. I had lost my independence and social life. A neighbor who had successful cataract surgery here recommended the hospital.

After diagnosis, I was told that cataract surgery would improve my vision. The doctors and staff were very caring and supportive. I underwent the cataract surgery, and I am thrilled that my vision has improved. The hospital provided free accommodation, meals, and medicines, which was a great help.

I'm deeply thankful to the entire team at LVPEI for their excellent care and for helping me see the world clearly again.

L V Prasad Eye Institute is grateful to SVS Refcomp Private Limited for touching the lives of 271 patients like Mr. M Ramla Naik

Acknowledging the Support from SVS Refcomp Private Limited

Restoring Sight, Transforming Lives!

SVS Refcomp Private Limited Supports
280 Cataract Surgeries in Rural Andhra Pradesh
(Jan-Mar 2025)

Impact Beyond Vision

Clear vision restores mobility, independence,
and dignity, empowering people to reconnect
with their livelihood and families.

More recently, the SVS group has helped procure the
Hospital UPS Backup System for the secondary centre
facility at Madanapalle.

"I can see the world again!"

- Mr. Ramla Naik

Ramla Naik, 74,
struggled with blurred
vision, which limited
his mobility and
distanced him from
his social life.

After undergoing free
cataract surgery,
supported by SVS
Refcomp Private
Limited, his vision
improved, bringing him
freedom and joy.

Gratitude to

for helping us restore sight and transform lives in the
villages of Annamayya District, Andhra Pradesh.

We are certain that **your support** will
have a **lasting impact**, creating ripple
effects of **positive change** in **beneficiary
families and communities.**
